

# YOUCEF LOUNES

## Technical Level & Game Designer

### ABOUT ME

I am a quality-oriented designer, who loves being creative and working with others. My colleagues appreciate me for being easy to talk to, taking initiative and being a driving force behind projects.

With a background in business and entrepreneurship, I bring a structured and analytical approach to my craft. Through my work, I value iterating and collaboration to bring the projects up to an outstanding quality!

### WORK EXPERIENCE

#### ASSOCIATE TECHNICAL LEVEL DESIGNER, CLIMAX STUDIOS, UK

2024 - Current

- Collaborating closely with Designers to fine-tune the gameplay flow and pacing
- Implementing unique features and interactions while taking them from Vision to a AAA Game Ready state.
- Taking ownership and responsibility of technical level design features, while setting up and maintaining the documentation.
- Regularly report directly to directors to ensure the work is following the games intended vision.
- Designing areas using my own gameplay features.
